Using the latest technology, including infrared/digital photography and state of the art proprietary energy appraisal software, I-Star's NIA-certified and BPI-certified technicians will quantify your heat loss and calculate potential energy savings and reductions in greenhouse gas emissions, to determine the optimum course of remediation.

SPONSORSHIP OPPORTUNITIES

I-Star Energy Solutions – 2015 Bronze Sponsor

Did you know?

This ESC Market Transformation Conference was first held in 2012. Past conferences were held in Nashville, Denver and St. Paul – and were co-hosted by our State Chapters in Tennessee, Colorado and Minnesota. This year’s conference is co-hosted by the National ESC and the North Carolina Chapter. Register today as attendance is limited.

Don’t forget the Welcome Reception -- August 31

Join us at our opening reception from 6-7:30 pm at the Westin Charlotte and start your Conference experience by networking with participants and exhibitors to ensure you get the most out of the event. The reception will be held in the exhibit hall allowing attendees the opportunity to meet with our sponsors in advance of the start of the conference.

WANT IN ON THE ACTION?

The ESC is the nation's only private-public partnership whose sole mission is to deliver the benefits of energy savings performance contracting.
